March 23 & 24, 2006 - Burlington, Ontario

e-mail: cathyt@hcys.ca

Right from the Start is an attachment-based course for parents of infants under 2 years. This 8-session parenting course has been developed to enhance caregiver skills in reading infant cues and responding sensitively. The course uses attachment theory as a framework and active adult learning principles. Right from the Start is for all parents of infants under 24 months, especially those at risk for social, emotional, behavioural and/or developmental difficulties.
