

**COPEing with Selective Mutism:
Companion Manual of Forms & Resources
~ Order Form ~**

Please find below an order form for a companion manual of forms and resources suitable for parents/professionals working with a child with selective mutism. This manual includes a series of progress forms and information sheets that is intended to supplement the intervention program outlined in:

McHolm, A.E., Cunningham, C.E., & Vanier, M.K. (2005). Helping Your Child with Selective Mutism: Practical Steps to Overcome a Fear of Speaking. California: New Harbinger Publications Inc.

ISBN 1-57224-415-X

Available at www.amazon.com, www.amazon.ca, www.chapters.indigo.ca or at major bookstores.

Please note that the companion manual of forms and resources is not intended to be a *stand alone* workbook or guide for individuals working with children with selective mutism.
